# PORTFOLIO

*WH Design has had the opportunity to work with various non-profit organizations. We have helped them bring their dreams to life.*

## Book Covers

### Bridge the Distance

Poetry book created during COVID by teachers. Designed cover and back cover.

### Poetic Justice

Non-profit organization that works with incarcerated women to create poetry. The works are published and have been sold at local bookstore. Designed layout of inside book, cover and back cover for 4 years.

### EX Cineribus

Tulsa School of Arts and Sciences held an annual class that would create an anthology of creative works completed by the students. The book was published and sold to the school community. Designed layout of inside book, cover and back cover for 8 years.

*We have worked with businesses and non-profit organizations world-wide to promote their products or company in either a print or digital format.*

## Brochures & Flyers

### Stoughcool

Designed company brochure used to promote products.

### Acoustic Freight Train Instrument Donation (AFT-ID)

Designed brochure for a non-profit organization to help with fundraising efforts.

### Hilti

Designed brochure to promote a specific product line within the concrete industry.

We help bring your vision to life by delivering your company's message directly to your clients.

## Brochures & Flyers

### iDreveal

Designed 2-page flyer to describe services they offered to attorneys.

### Oklahoma Center for Wellness

Designed a tri-fold brochure to promote their event to the community.

### Stoughcool

Designed product flyer that would be printed and used digitally on website and email.

*Sometimes all you need is a simple business card to get your name out there.*

## Business Cards

*Postcards are a cost effective way to get your business information in the hands of your clients.*

## Postcards

### DFCU Tulsa

Designed a mailer to be sent to current credit union members announcing the new name.

### Titan Sports

Designed a special offer postcard for customers to pick up at location.

### ENACOMM, Inc.

Designed an informational postcard to be used as a take away at trade show.

*Eye catching graphics are needed when you're at a trade show to draw customers to your booth.*

## Trade Shows

### DFCU Tulsa

Designed pop up banner promoting mobile deposit services to be displayed in the credit union's lobby.

### ENACOMM, Inc.

Designed pop-up banners and a large backdrop showcasing current products, all tailored for display in their company's booth.

*Trade show booths come in all sizes. We have experience in creating graphics to fit your needs and make your booth stand out.*

## Trade Shows

### Hilti

Designed posters to promote specific product that would be framed and used at show.

### Stoughcool

We produced striking retractable banners and a branded backdrop that showcased their latest products and reinforced their company's identity at the booth.

*Advertisements can promote your brand or products while targeting a specific audience. Ads can be used in traditional print or digital media outlets.*

## Ads

### Parkhill's South

Unique monthly ads were designed for print use in multiple local neighborhood publications.

*Let's discuss your advertising goals and budget to create eye-catching ads that align perfectly with your marketing objectives.*

## Ads

### Key Personnel

Creative ads were designed for digital use on social media platforms promoting weekly jobs.

### DFCU Tulsa

Promotional ads were designed for digital use on social media platforms to promote current offers at the credit union.

### Setter Electric

Unique ads and headlines were designed for digital use on social media platforms to promote new business.

*Whether you're looking for out-of-the-box creativity or sticking to your brand standards, we'll craft compelling ads that get your message out there.*

## Ads

### Key Personnel

Full page print ad designed for publication to promote new location.

### Hilti

Full page and half page print ads designed for digital use as well as print publications.

*Store front graphics are designed to catch your customer's eyes and entice them to come into your business.*

## Store Fronts

### Hilti

The client launched a brand new product line and redesigned all their store front graphics to promote the new tools. These graphics were branded and created for all stores in the United States and Canada.

*Grab attention and drive foot traffic to your store with bold, vibrant exterior signage.*

## Exterior Signs

Exterior signs are a powerful marketing tool because they're often the first impression a potential customer has of your business. They grab attention and convey your brand personality. We have partnered with a local sign company and assist with designing layouts and provide final artwork for production.

*Logos are the face of your company. You need a graphic that will stand out and set the branding direction of your marketing endeavors.*
